New Zealand Distributorship

Intec Ltd (ASX: INL) (“Intec or the Company”) is pleased to provide an update on the activities of Science Developments Pty Ltd (SciDev).

The Company’s most recent Quarterly Activities Report made reference to an impending New Zealand distributorship for SciDev products. The Distribution Agreement with Apex Environmental Ltd (Apex) has now being executed by both Apex and SciDev. In addition, the first purchase order for SciDev product has now been received from Apex. The initial order is for a full container load of product amounting to approximately \$25,000 in sales value. This product is to be used in the commissioning of a waste water treatment plant at a new dairy manufacturing facility on the west coast of the South Island of New Zealand.

Apex is a supplier of equipment, project management and engineering solutions for industrial wastewater treatment plants. Apex services participants in the dairy, food, wine and textile industries.
